

The 2026-2027 Hardin County Republican Committee Strategic Plan

Preamble

We, the members of the Hardin County Republican Party, united by our shared commitment to faith, freedom, and constitutional government, establish this Preamble to affirm the principles that guide our Party and our service to the citizens of Hardin County, the Commonwealth of Kentucky, and the United States of America.

We believe that our rights are endowed by God, not granted by government, and that the proper role of government is to protect the God-given rights to life, liberty, and the pursuit of happiness. We are committed to preserving the Constitution of the United States and the Constitution of the Commonwealth of Kentucky, upholding the rule of law, defending individual liberty, protecting private property, and promoting limited, accountable government.

We support free-market principles, fiscal responsibility, personal accountability, and policies that encourage opportunity, reward hard work, strengthen families, and empower individuals to achieve their fullest potential. We believe strong communities are built through personal responsibility, civic engagement, and respect for the dignity and equality of every person under the law.

As Republicans, we are dedicated to electing principled leaders, advancing conservative values, protecting election integrity, defending American sovereignty, and preserving the liberties that have made our nation the beacon of freedom for generations.

With faith in God, confidence in the American people, and unwavering devotion to our Republic, we pledge to work together to preserve our constitutional freedoms, serve our communities with integrity, and secure a brighter future for Kentucky and our nation.

Mission Statement

The mission of the Hardin County Republican Committee is to preserve liberty, strengthen constitutional government, and build a united grassroots movement of conservative, America First, patriotic Kentuckians.

We are committed to recruiting, training, and empowering volunteers to serve as citizen leaders throughout Hardin County and to fill every available Republican precinct committee position with individuals who uphold the principles of faith, freedom, personal responsibility, limited government, and the United States Constitution.

We will work to identify, support, and elect fiscally responsible and socially conservative Republican leaders at the federal, state, and local levels who will defend our constitutional rights, protect American sovereignty, uphold the rule of law, and faithfully serve the people they represent.

Vision Statement

The vision of the Hardin County Republican Party is to build a thriving, constitutional republic where individual liberty is protected, families are strengthened, communities prosper, and government remains accountable to the people.

We envision Hardin County, Kentucky, and our nation led by principled, servant-minded Republican leaders who faithfully uphold the Constitution, defend our God-given rights, preserve the rule of law, promote free-market opportunity, and protect the values that have made America the greatest nation in the world.

Through grassroots engagement, civic responsibility, and unwavering commitment to conservative principles, we strive to inspire future generations to preserve freedom, expand opportunity, and ensure that government remains of the people, by the people, and for the people.

How to meet our strategic goal

1. *Grow the Republican Electorate*

Increase Republican voter registration and encourage party affiliation changes by conducting voter registration drives at community events, festivals, fairs, and other public gatherings; promoting voter registration at monthly Party meetings; and engaging citizens through grassroots outreach and volunteer efforts.

2. *Strengthen Financial Resources*

Build and maintain a strong financial foundation through membership growth, fundraising events, individual and business donations, sponsorships, and other lawful fundraising activities to provide resources for candidate support, voter outreach, and Party operations.

3. *Recruit and Develop Volunteers and Leaders*

Expand our volunteer network by recruiting from registered Republicans, churches, veterans' organizations, conservative grassroots groups, civic organizations, community leaders, social media, email campaigns, and personal relationships. Develop future Party leaders by encouraging active participation in precinct organization and committee service.

4. *Educate and Inform Voters*

Provide voters with accurate, timely, and factual information regarding Republican candidates, Party principles, election dates, and important public policy issues through candidate forums, community events, digital communications, social media, newsletters, educational materials, and public outreach.

5. *Elect Conservative Republican Leaders*

Organize a comprehensive Get-Out-The-Vote (GOTV) effort by supporting Republican candidates through voter contact, absentee and early voting education, phone banking, door-to-door canvassing, campaign events, volunteer coordination, and election-day activities to maximize Republican turnout and achieve victory in local, state, and federal elections.
