

Hardin County Republican Party of Kentucky

Statement on the Conviction of President Donald J. Trump

It is a 'Shameful Day' In US History. President Donald J. Trump's conviction in New York was purely a political sham and nothing but election interference. This was a rigged disgraceful trial by a conflicted judge who was corrupt. The Biden Administration has twisted and manufactured to meet the political agenda, including its strategic placement in one of the most liberal venues in the country.

Article IV, Section 4 states that the United States shall guarantee to every State in this Union a Republican Form of Government and shall protect each of them against Invasion. Through evil and corrupt legal actions, the Democratic party and the Biden Administration seek to distract the voters from the fact that under its leadership, Americans have suffered greatly from our lawless southern border, crippling inflation, and out-of-control crime. We are a nation in decline with millions and millions of people infiltrating our country from terrorist, prisons and mental institutions. The entire world stands witness to a desperate regime suppressing political opposition through the abuse of the U.S. justice system and breaking the social contract. This conviction is a blatant assault on the principles of justice. The idea that a jury would be instructed to convict without agreeing on what crime has been committed is a disgrace to our legal system and cannot stand. This is pure lawfare and sets a dangerous precedent and undermines the very foundations of our constitutional republic. This trial was marred by bias and predetermined agenda, which stripped President Trump from a fair trial to which every American is entitled.

The Hardin County Republican Party of Kentucky and the overwhelmingly majority of Kentuckians firmly stand with President Donald J. Trump and indisputably condemns the actions of the New York Judicial System. We proudly support our Republican nominee at the RNC Convention in July and when we vote in November.

God Bless President Donald J. Trump and this great nation!
